

Battery Cover

Technical sheet

VaVeliero's Battery Cover is the ultimate accessory for your iPhone4/4s.

Not only does it protect your phone in a smart and simple manner but it also features a powerful 1400 mAh battery that doubles* the charge of your phone! A very handy cable included in the box allows you to charge your **Battery Cover** with your original iPhone4/4s charger.

It is also possible to charge the **Battery Cover** from a free USB socket on your computer. **VaVeliero's Battery Cover** is slim and lightweight and transform your phone in something very original.

On your desk it becomes a phone stand thanks to its retractable support. With **VaVeliero's Battery Cover** watching a movie or listening to all your music collection will be no longer a problem.

* it may vary upon the use of your phone and ambient temperature.
